LINCOLN BOWLING CLUB CONDITIONS OF PLAY 2026-2027

CLUB CHAMPIONSHIPS GENERAL CONDITIONS

ELIGIBILITY

Only full financial members may enter club championships.

1st and 2nd Yr is restricted to one- and two-year players.

Under 5s is restricted to year 0-5year players.

For bowlers joining from overseas. - Years played overseas as a full member will count for determining eligibility to play in club year 1-2 and year 1-5 events.

All other events are open to all full financial members.

ENTRIES

Entries, should be made in a manner and by a date and time determined by the match committee.

The match committee may solicit further entries after the closing date in order to avoid byes or increase numbers to a viable level.

DRAWS

The match committee shall conduct the draw in a random fashion.

The draw shall be posted on website and bowls room preferably at least one to two days before any set date or 'to be played by' date for the first round.

In events with two lives the match committee may, where practical when conducting the draw, take steps to avoid players/teams receiving a bye in both lives or playing the same team in the first round of both lives.

RINKS

Unless directed by the match committee or the greenkeeper, rinks for all championship matches must be drawn using the rink selector in the bowls room or by online T.M. model.

Where the green is set out as 8 rinks, players/teams are not obliged to play on an end rink and may redraw provided there are inside rinks free.

SET DATE EVENTS

Where there are set dates for each round the dates shall be adhered to.

No player/ team shall arrange to play their match on an alternative date or time without the consent of the match committee. Such consent will only be granted in exceptional circumstances

TO BE PLAYED BY EVENTS

Where no fixed dates are specified but are “to be played by certain dates”, it is the responsibility of both players/teams to contact the opponent to arrange the date and time of the match.

Where a match has not been played by the scheduled date, one or both players/teams may be deemed to have forfeited the match as determined by the match committee.

The match committee may grant an extension beyond the scheduled date if the circumstances warrant it but have the right not to grant an extension if they believe the match could have been played in time.

TRIAL ENDS

Before the commencement of play in the first match on a day one trial end in each direction may be played but they must be completed before the scheduled start time.

MARKERS

All singles matches should be played with a marker.

SUBSTITUTES

Bowls New Zealand Domestic Regulations for substitutes apply. Substitute players can-not Skip.

DISPUTES

Any dispute must be referred to the Bowls Manager in writing within 48 hours for consideration by the match committee whose decision shall be final.

UNFORSEEN OR EXCEPTIONAL CIRCUMSTANCES

The match committee may vary conditions as they deem appropriate if unforeseen circumstances arise.

INCLEMENT WEATHER

Should weather prevent the commencement or completion of a match on a fixed date match the match committee shall set an alternative date for the playing or completion of the round.

Should weather prevent the commencement or completion of a “to be played by” match the players/teams shall set an alternative time or date before the scheduled finish date for the round.

Where matches cannot be completed the players/teams shall agree on the score to date and complete a scorecard. Play shall resume at the previously corded 4score.

In the event of inclement weather preventing completion of a game, 75% of the scheduled ends played will constitute a game. e.g. 12 ends in a 16-end game. For Singles, 75% of 21 shots will constitute a game.

Scheduled Ends:	Ends	Ends	Shots (Singles only)
	16	18	21
75% of scheduled ends:	12	14	16

Players should not enter Club Championships if they are aware they will not be available for post section or later rounds

MEN'S CHAMPIONSHIP EVENTS

ELLESMERE BOWLS SUB CENTRE 2026-2027

STANDARD CONDITIONS of PLAY 2026-2027

These conditions apply to all

ELLESMERE COMPETITIONS

Laws and Regulations - All games shall be played in accordance with the Laws of the Sport of Bowls, Crystal Mark Fourth Edition and Bowls New Zealand Domestic Competition Regulations.

Eligibility - Only paid up financial full members or Life members of Ellesmere Clubs can play in Ellesmere competitions.

Dual Members - A player who is a fully paid-up financial member of more than one club can play for any club they are a member of in Ellesmere competitions but in club championships they can only play once in any discipline i.e. they cannot play singles at more than one club. They can play different disciplines at different clubs e.g. singles at one club and pairs at another.

Entries - Are to be made using the on-line entry system available on the Ellesmere Website prior to the closing date. Late entries will not be accepted unless they fill a bye.

Draws - Will be posted in the Ellesmere website. Interclub draws will also be sent to club secretaries.

Interclub results - The host club is responsible for sending results to the Results Recorder (recorder@ellesmerebowls.com) using the fillable PDF form which can be downloaded from the Ellesmere website. Results should be sent via email no longer than 2 days after the game.

Results Recorders - Are responsible for maintaining accurate records of interclub games and for updating results on the Ellesmere website each week.

Host club responsibilities for Interclub games - The host club is responsible for markers, scorecards, umpires, sending in results and supplying adequate cooled water in hot conditions.

Trial ends - Before the scheduled start of play of the first game of the day one trial end may be played in each direction.

Practice ends - Are only allowed if a player or team has a bye while a future opponent is playing, provided that a neutral rink is available. There is no restriction on the number or practice ends or how many bowls are used.

Clothing - Players should wear their club approved uniforms.

Playability of greens - The decision of the greenkeeper or their designated deputy on whether play can start or continue is final.

Scorecards - Skips are responsible for the scorecards which should have all players first name and surname printed legibly on them and be signed by both skips. A signed card is the final official result. Both skips will be supplied with a scorecard in all interclub fixtures. One card is retained by the host club for sending results to Results Recorder, the other is retained at the away teams club to be kept until one month after the conclusion of the final game in case of any discrepancy. For other competitions only one card will be used.

One short side games - As per Law 39 if a side is one player short, play can continue with either a four or triple playing one short. At the end of the fours game a quarter of the score rounded to the nearest whole number shall be deducted or in the case of a triples game one third of the score shall be deducted. In fours the lead and seconds play three bowls and the skip two. In triples both players play three bowls.

Lateness - If 30 mins have elapsed since the scheduled start time (or 10 mins in championship games) one or more players are absent the defaulting team forfeits the game. In time limit games if a game commences after the scheduled start time (but not in championship

games) when the scheduled time limit is reached if the non-offending team is ahead on the scoreboard the game is finished. If the non-offending team is behind, they may claim the time the offending player/team, was late to complete the game.

Restrictions of the Movement of Players to the head - Players can only walk to the head during the game as follows:

Singles - Opponents after delivery of their 3rd and 4th bowls.

3 Bowl Pairs - Leads after delivery of their 3rd bowl, Skips after their 2nd or 3rd bowl.

2-4-2 Pairs - “Leads” after their 2nd bowl “Seconds” and “Thirds” after their 4th bowl and “Skips” after each of their bowls.

Triples - Leads and Seconds after delivery of the seconds 2nd bowl, Skips after each bowl.

Fours - Leads and Seconds after delivery of the seconds 2nd bowl, Thirds after delivery of their 2nd bowl and Skips after delivery of either of their bowls.

Unfinished games - If play is cancelled due to adverse weather, 75% of the scheduled ends played will constitute a game e.g. 16 ends in a 21-end game, 14 ends in an 18-end game, 12 ends in a 16-end game and 11 ends in a 14-end game. If play stops before 75% of the ends are completed the game will need to be completed on another day or if no game in the round is completed before play stops the round the match committee may cancel the entire round.

Hot weather - When the ambient temperature reaches 33 degrees play may be suspended until the temperature reduces.

Small clubs - Clubs with 20 or less members may combine to enter an interclub team except in the Rooster.

Substitutes - Will be subject to approval in line with Bowls NZ Domestic Regulations. Substitutes may be temporary or permanent. Substitutes cannot skip. Substitutes introduced after a game commences must play in the same position as the substituted player but in any subsequent game the order of players in a team may be changed. A Substitute in not

permitted in any singles game, except in a side game, where another player in the side must play the singles and the substitute play in one of the other teams.

Canvassing for teams - When there is an uneven number of entries once entries close the Match Committee has the right to canvass for extra teams to prevent a bye and to amend eligibility restrictions to allow introduction of such a team.

Varying conditions - The match committee has the right to amend or vary conditions as per Law 55.3.4 if necessary.

Conditions of play for:

Start time 1.30 pm Saturdays.

Round robin, home or away basis.

Each side will comprise of 6 players, all male, a singles player, a pairs team and a triples team.

Each club will name 6 permanent players for each side and advise the Results Recorder of the names prior to the first round.

The named players cannot play in any other team entered by their club.

Players who are not named can substitute in any team but once they have played 3 games for any one team they cannot play in any other team that season.

Substitutes cannot play singles.

Players who usually play Chatterton Cup can substitute but once they have played 3 games in the Rooster they cannot return to Chatterton that season.

Singles - 4 bowls, 25 shots.

Pairs - 3 bowls, 21 ends.

Triples - 2 bowls, 21 ends. No time limit on any game. Incorrectly delivered jack is redelivered, killed ends are replayed.

Scoring will be by *Wins/Draws/Ends/Diff.* Draws count.

Teams with a bye or a defaulting opponent will be awarded a win and points based on the average winning score in that round.

Where a club has more than one team entered, a team will not be awarded a win for a default gained from another team within the club.

Rounds postponed due to weather will be replayed but any game that cannot affect the outcome of the competition will not have to be played.

Conditions of play for the:
BERT CHATTERTON MEMORIAL CUP

Entries must be made online via the Ellesmere website by 7.00pm the Wednesday 10 days prior to the event.

Start time 1.30pm Saturdays.

Partial Round Robin, home or away basis.

Each side will comprise 5 players, any combination, a singles player, a pairs team, a triples team and a fours.

Players should all be from the same club except that an opposing club may lend up to 2 players to the opposition who should be graded as leads or seconds to prevent a default.

Chatterton players may substitute for the Rooster but only on three occasions after which they cannot return to the Chatterton that season.

Two games a day, first game - singles and fours, second game - pairs and triples.

Singles 4 bowls 21 shots or 1¼ hours
